Modular Garage Storage to Fit Your Lifestyle

The GL Signature metal cabinetry system combines affordability, high quality construction and excellent storage features to minimize clutter. It's one of our most popular cabinetry lines. For smaller garage spaces we have an 18" shallow depth cabinet option. Choose from a variety of modular components to create a cabinetry system that is perfect for you.

CABINETRY FEATURES

INSET DOORS WITH ERGONOMIC FULL LENGTH HANDLES

ADJUSTABLE SHELVING

*Each locker and lower unit shelves have been approved for 250lbs load capacity.
